

I drive truck for a living and this would be just enough kick in the mouth . You think with all the problems in this world that people would have something better to do with their time than worry about petty as this . I enjoy my XM very much and it keeps me going . If only these people could spend a week in my second families shoes (TRUCK DRIVERS) maybe they would find other things to lobby against.I don't know I guess I 'm just an old timerall of 32 this July but it 's getting ridiculous. I wish I had the money and time people spend on petty !!!! If you're jealous of what someone else has than make your's better (OH but that means YOU would have to do the work) DON'T DO THE WORK FOR THEM..... Congress you have bigger and better things to worry about!!!!!!!!!!!!!!

By the way I am a voter
